RANDOLPH A. HEARST

November 15, 1977

Dear Admiral Turner,

I know our old Navy type, [redacted] has asked you to provide a CIA briefing for the 102 bright youngsters who will be in Washington the week of January 30 as delegates to the 1978 United States Senate Youth Program.

STAT

These high school juniors and seniors come from the 50 states and the District of Columbia and have already proved their intelligence and leadership abilities.

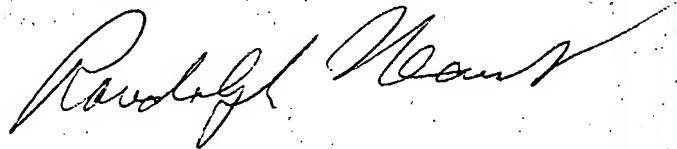

They comprise an outstanding pool of talent. I know, therefore, that they will greatly benefit by any message you wish to give them.

Our Foundations have been privileged to financially sponsor the Senate Youth Program since its inception in 1962. Each year, it has received the unanimous endorsement of the Senate.

I join with Charles in hoping that you will add an important dimension to the Washington week of these talented students by providing them with a briefing at your headquarters on Tuesday, January 31, at 3:30 p.m.

I look forward to hearing from you, and thank you for considering this request.

Sincerely,

The Honorable Stansfield Turner  
Director, Central Intelligence Agency  
Washington, D.C. 20505
